

Webinar software comparison guide

With many Network Partners interested in delivering their sessions remotely, we have compared five popular webinar platforms to help make your research a little easier. This example includes various prices and features you can expect to find within each platform, but it's important to conduct your own research and choose the platform that is right for your organisation. *Pricing data is correct as of 31/03/2020.*

	Google Hangouts	Zoom	Adobe Connect	Livestorm	GoTo Webinar
