

## Please follow these tips to join a Kahoot!:

1. Open a web browser on your other device and go to **[www.kahoot.it](http://www.kahoot.it)**
2. Type in the game PIN given to you by your Digital mentor
3. Type in your name
4. Press **OK, Go!**
5. Your name should now appear on the purple game screen

## Reminders:

- If you get logged out of your device, you can re-enter the quiz by using the game PIN.
- You do not need to download the Kahoot app. Just type in [www.kahoot.it](http://www.kahoot.it) into a web browser.
