**Finished finding the words?
Here's some tips to keep you safer
when using AI.**

Keep this information **private when
using AI:**

- **Passwords**
- **Home address**
- **Bank details like account numbers**
- **Phone numbers**
- **Full names**
- **Email addresses**
- **Medicare details**
- **Pin numbers to apps and accounts**
- **Birth information like date and location**
- **Income details and amounts.**

**Consider why keeping personal
information **safe** when using AI is
important.**

Consider who your **trusted people
are when you need to share
personal and private information.**
